

Petition for Writ of Mandamus Denied and Memorandum Opinion filed May 24, 2010.

In The

Fourteenth Court of Appeals

NO. 14-10-00463-CV

IN RE ANODIZING GRAPHICS OF TEXAS , INC., Relator

**ORIGINAL PROCEEDING
WRIT OF MANDAMUS**

MEMORANDUM OPINION

On May 21, 2010, relator, Anodizing Graphics Of Texas , Inc., filed a petition for writ of mandamus in this Court. *See* Tex. Gov't Code Ann. §22.221 (Vernon 2004); *see also* Tex. R. App. P. 52. In the petition, relator asks this Court to compel the Honorable Ben W. Childers, presiding judge of County Court at Law No. 1 of Fort Bend County, to set aside his May 4, 2010 order setting the underlying case for trial on May 25, 2010.

Relator has not established his entitlement to the extraordinary relief of a writ of mandamus. Accordingly, we deny relator's petition for writ of mandamus and related emergency motion to stay proceedings.

PER CURIAM

Panel consists of Justices Anderson, Seymore, and Brown (Seymore, J. would grant).
