**MEMORANDUM OPINION**

On June 10, 2010, appellant filed a notice of appeal “from Denial of a Prohibitive Injunction Writ” purportedly rendered by the trial court on May 25, 2010. The clerk’s record was filed on June 22, 2010. The record before this court contains no order signed by the trial court.

On June 23, 2010, notification was transmitted to the parties of this court’s intention to dismiss the appeal for want of jurisdiction unless appellant filed a response demonstrating grounds for continuing the appeal on or before July 6, 2010. *See* TEX. R.

APP. P. 42.3(a). Appellant filed no response demonstrating this court has jurisdiction. Accordingly, the appeal is ordered dismissed.

Further, appellant's motion to proceed without payment of costs and motion for production are denied as moot.
