

*Court Of Appeals*  
*Fourth Court of Appeals District of Texas*  
*San Antonio*

**MEMORANDUM OPINION**

No. 04-08-00735-CR

Pablo Ernesto **CISNEROS**,  
Appellant

v.

The **STATE** of Texas,  
Appellee

From the 379th Judicial District Court, Bexar County, Texas  
Trial Court No. 2008-CR-5993  
Honorable Bert Richardson, Judge Presiding

PER CURIAM

Sitting: Sandee Bryan Marion, Justice  
Phylis J. Speedlin, Justice  
Rebecca Simmons, Justice

Delivered and Filed: November 12, 2008

DISMISSED

The trial court signed a certification of defendant's right to appeal stating that this "is a plea-bargain case, and the defendant has NO right of appeal." *See* TEX. R. APP. P. 25.2(a)(2). Rule 25.2(d) provides, "The appeal must be dismissed if a certification that shows the defendant has the right of appeal has not been made part of the record under these rules." TEX. R. APP. P. 25.2(d). Accordingly, on October 17, 2008, this court issued an order stating this appeal would be dismissed pursuant to Rule 25.2(d) unless an amended trial court certification that shows appellant has the right

of appeal was made part of the appellate record. *See Daniels v. State*, 110 S.W.3d 174 (Tex. App.—San Antonio 2003, order); TEX. R. APP. P. 25.2(d); 37.1.

On October 27, 2008, appellant’s appellate counsel filed a letter stating “this court has no choice but to dismiss the appeal.” In light of the record presented, we agree with appellant’s counsel that Rule 25.2(d) requires this court to dismiss this appeal. Accordingly, this appeal is dismissed.
