REVERSED AND REMANDED

On May 27, 2010, this appeal was abated for mediation. On August 11, 2010, the mediator filed a report, stating the parties mediated and settled. On August 18, 2010, the appellants filed a written advisory, stating the parties reached a mediated settlement. The appeal is therefore reinstated on the docket of this court. The appellants' advisory states that the parties are requesting that the trial court's judgment be reversed, and that the cause be remanded for the entry of a judgment in conformity with their settlement agreement.

The advisory is noted. The judgment of the trial court is reversed, and the cause is remanded for the entry of a judgment in conformity with the parties' settlement agreement. *See* TEX. R. APP. P. 42.1(a), 43.2(d). Costs of appeal are taxed against the parties who have incurred them.
