**IN THE INTEREST OF A.A., E.A., T.A., A.A., and L.A.**

From the 288th Judicial District Court, Bexar County, Texas  
Trial Court No. 2011-PA-01881  
Honorable Charles E. Montemayor, Associate Judge Presiding

PER CURIAM

Sitting: Karen Angelini, Justice  
Sandee Bryan Marion, Justice  
Marialyn Barnard, Justice

Delivered and Filed: September 11, 2013

AFFIRMED

This is an accelerated appeal from an order terminating appellants' parental rights. Appellant Mother A.S. and Appellant Father T.A. filed notices of appeal from the trial court's order terminating their parental rights.<sup>1</sup> Both Appellant Mother A.S.'s court-appointed appellate attorney and Appellant Father T.A.'s court-appointed appellate attorney have filed briefs containing a professional evaluation of the record and demonstrating that there are no arguable grounds to be advanced. Both counsels have concluded that this appeal is frivolous and without merit. Both briefs meet the requirements of *Anders v. California*, 386 U.S. 738 (1967). *See In re R.R.*, No. 04-03-00096-CV, 2003 WL 21157944, at \*4 (Tex. App.—San Antonio 2003, order)

<sup>1</sup> To protect the identity of the minor children, we refer to the children's parents by their initials. *See* TEX. FAM. CODE ANN. § 109.002(d) (West Supp. 2012); TEX. R. APP. P. 9.8(b)(2).

(applying *Anders* procedure in appeal from order terminating parental rights), *disp. on merits*, 2003 WL 22080522 (Tex. App.—San Antonio 2003, no pet.).

Appellant Father T.A.'s counsel certified that a copy of appellant's brief was delivered to Appellant Father T.A. and that he was advised of his right to examine the record and to file a pro se brief. Appellant Father T.A. did not file a pro se brief.

Appellant Mother A.S.'s counsel certified that a copy of appellant's brief was delivered to Appellant Mother A.S. and that she was advised of her right to examine the record and to file a pro se brief. Appellant Mother A.S. did file a pro se brief. After reviewing the record and the briefs, we agree that the appeal is frivolous and without merit. Therefore, the order of the trial court is affirmed, and counsels' motions to withdraw are granted.
