**MEMORANDUM OPINION**

On October 18, 2010, the trial court sentenced Darrick Lamon Anderson on a conviction for felony theft. Anderson filed a notice of appeal on November 17, 2010. The trial court entered a certification of the defendant's right to appeal in which the court certified that this is a plea-bargain case and the defendant has no right of appeal. *See* Tex. R. App. P. 25.2(a)(2). The district clerk has provided the trial court's certification to the Court of Appeals. On November 22, 2010, we notified the parties that we would dismiss the appeal unless the appellant established grounds for continuing the appeal. The

appellant filed a response but failed to establish that the trial court's certification should be amended. Because the a certification does not show the defendant has the right of appeal, we must dismiss the appeal. *See* Tex. R. App. P. 25.2(d). Accordingly, we dismiss the appeal.

APPEAL DISMISSED.
