**MEMORANDUM OPINION**

Jamaar Tukes filed notice of appeal from the denial of pre-trial habeas relief in two cases in which Tukes sought release due to a delay of trial. The State filed a motion to dismiss that alleges that the issues pending in the appeals are now moot because the appellant has been convicted in one case and has been no-billed by the grand jury in the other case. The State's motion has been agreed to by the appellant through his counsel of record. We grant the motion to dismiss and dismiss the appeals as moot without reference to the merits.

APPEALS DISMISSED.
