**MEMORANDUM OPINION**

Before QUINN, C.J., and HANCOCK and PIRTLE, JJ.

Appellant, David Kendell Gossett, appeals his conviction for unauthorized use of a vehicle. The certification of right to appeal executed by the trial court states that this is a plea bargain case and the defendant has NO right of appeal and the defendant has waived the right of appeal. This circumstance was brought to the attention of appellant and opportunity was granted him to obtain an amended certification entitling him to appeal. No such certification was received within the time we allotted. Having

received no amended certification, we dismiss the appeal per Texas Rule of Appellate Procedure 25.2(d).
