

**IN THE
TENTH COURT OF APPEALS**

No. 10-16-00265-CV

**IN RE SUNSET LOGISTICS, INC., JOHN GLIDEWELL, AND
CHARLES AXMACHER**

Original Proceeding

MEMORANDUM OPINION

On August 18, 2016, relators, Sunset Logistics, Inc., John Glidewell, and Charles Axmacher, filed a petition for writ of mandamus complaining about trial-court orders to produce net worth, corporate governance, and insurance documentation regarding several parties and non-parties. In addition to their mandamus petition, relators also filed an emergency motion to stay the trial court's discovery orders. We granted relators' emergency stay motion and requested a response.

In the meantime, "the parties have negotiated an agreed resolution to the issues in dispute," resulting in relators filing an unopposed motion to dismiss their mandamus

petition. *See* TEX. R. APP. P. 42.1(a). Dismissal of this mandamus petition does not prevent a party from seeking relief to which it would otherwise be entitled. We therefore grant relators' motion and dismiss this mandamus petition.
