**MEMORANDUM OPINION**

---

In a letter dated March 11, 2021, this Court notified Appellant that the appeal was subject to dismissal because Appellant had not responded to this Court's inquiry on whether he intended to pursue the appeal. In addition, the March 11, 2021 letter notified Appellant that the appeal was subject to dismissal for want of prosecution if a brief or response showing grounds for continuing the appeal was not filed within 21 days from

the date of the letter. More than 21 days have passed, and no response has been filed.

Accordingly, this appeal is dismissed. TEX. R. APP. P. 42.3(b).
