**MEMORANDUM OPINION**

---

---

Appellant's briefs in these appeals were due February 23, 2024. No briefs have been filed. We abated and remanded these appeals to the trial court on April 2, 2024 to determine whether, among other items, appellant was receiving effective assistance of counsel. In response to the abatement order, appellant has signed, and this Court's Clerk has filed, motions to dismiss both of these appeals.

In light of the motions to dismiss, we withdraw the Abatement Order issued on

April 2, 2024, and reinstate these appeals.

After consideration by the Court, appellant's "Motion to Dismiss Appeal" filed on April 9, 2024 in both appellate case numbers is granted, and these appeals are dismissed.
