**MEMORANDUM OPINION**

Appellant Walter Lee Hall, Jr. filed a bankruptcy petition in the U.S. Bankruptcy Court of the Western District of Texas on January 24, 2011. We abated the appeal on June 1, *see* Tex. R. App. P. 8.1, 8.2, 8.3, ordering Hall to inform us within ten calendar days of the resolution of the bankruptcy proceeding or another event that would allow us to reinstate the appeal, warning him that his failure to provide such notice would result in the appeal's dismissal for want of prosecution. *See id.* R. 42.3. On July 15, we were informed by appellees that the bankruptcy had been dismissed on the bankruptcy trustee's motion and that Hall was barred from filing another bankruptcy petition for two years. The bankruptcy court signed the order of dismissal on June 28, but as of July 19, Hall had not informed this Court of the dismissal. We dismiss the appeal for want of prosecution.
