**ORDER**

**PER CURIAM**

Appellant has filed a fourth request for an extension of time to file the brief, asking for a thirty-day extension. We grant the motion, ordering that the brief be filed no later than August 17, 2012, but caution counsel that failure to file the brief as ordered will result in the case being referred to the trial court for a hearing pursuant to rule 38.8, Tex. R. App. P. 38.8(b), or in counsel being called before this Court to show cause why he should not be held in contempt for violating this order.

It is so ordered on August 2, 2012.
