NO. 03-11-00705-CV

In re Daniel Atwater

ORIGINAL PROCEEDING FROM WILLIAMSON COUNTY

ORDER

PER CURIAM

Relator Daniel Atwater has filed a petition for writ of mandamus and a motion for temporary relief pending disposition of his mandamus petition. We grant the motion for temporary relief, pending further orders of this Court, to the extent of staying the trial court's order for genetic testing dated November 14, 2011. We request that real parties in interest file a response to the mandamus petition no later than November 30, 2011. The real parties in interest may also address, in either their mandamus response or a separate, earlier filing, the advisability of our continuing the temporary relief pending our resolution of the mandamus petition.

It is ordered November 17, 2011.
