

TEXAS COURT OF APPEALS, THIRD DISTRICT, AT AUSTIN

NO. 03-17-00610-CV

In re Jeffery D. Tolson

ORIGINAL PROCEEDING FROM WILLIAMSON COUNTY

MEMORANDUM OPINION

Relator has filed a petition for writ of mandamus, a “notice of appeal” from the district court’s “non-action” that denied his “Michael Morton Act Petition and Motion to Recuse or Disqualify State District Judge Ken Anderson,” and an application for writ of quo warranto. Those documents complain that the district clerk and the district court have not provided him with certain evidence related to his conviction; that he has not received a ruling on his “Michael Morton Act Petition”; and that the district judge who presided over relator’s trial should have recused or disqualified himself. We are construing those documents together as a petition for writ of mandamus. Having reviewed the documents provided by relator, we deny the petition for wit of mandamus. *See* Tex. R. App. P. 52.8.
