v. Record No. 0694-04-4

FRANCES SHEEHAN NARKIEWICZ

MEMORANDUM OPINION*
PER CURIAM
AUGUST 3, 2004

FROM THE VIRGINIA WORKERS' COMPENSATION COMMISSION

(Julie H. Heiden; Koonz, McKenney, Johnson, DePaolis & Lightfoot, on briefs), for Frances Sheehan Narkiewicz.

(Michael N. Salvesson; Hunton & Williams, LLP, on briefs), for Fairfax County School Board.

The Workers' Compensation Commission ruled that Frances S. Narkiewicz "remains totally disabled due to her causally related psychiatric condition." Narkiewicz contends the commission erred in finding that she failed to prove that the aggravation of her pre-existing essential tremor was causally related to her injury by accident. Fairfax County School Board appeals the commission's finding that Narkiewicz's psychiatric condition was causally related to her injury by accident. We have reviewed the record and the commission's opinion and find no reversible error. Accordingly, for the reasons stated by the commission in its final opinion, we affirm the commission's award reinstating Narkiewicz's temporary total disability benefits. See Narkiewicz v. Fairfax (County of) School Bd., VWC File No. 208-16-97 (Feb. 27, 2004). We
