STATE v. JACKSON  
Decision of the Court

PER CURIAM:

¶1 Petitioner Rex Lee Jackson seeks review of the superior court's order denying his petition for post-conviction relief, filed pursuant to Arizona Rule of Criminal Procedure 32.1. This is petitioner's third petition.

¶2 Absent an abuse of discretion or error of law, this court will not disturb a superior court's ruling on a petition for post-conviction relief. *State v. Gutierrez*, 229 Ariz. 573, 577, ¶ 19 (2012). It is petitioner's burden to show that the superior court abused its discretion by denying the petition for post-conviction relief. *See State v. Poblete*, 227 Ariz. 537, 538, ¶ 1 (App. 2011) (petitioner has burden of establishing abuse of discretion on review).

¶3 We have reviewed the record in this matter, the superior court's order denying the petition for post-conviction relief, and the petition for review. Petitioner has not established an abuse of discretion.

¶4 For the foregoing reasons, we grant review but deny relief.
