ARKANSAS COURT OF APPEALS

DIVISION IV

No. CA10-1247

T.S.

APPELLANT

V.

STATE OF ARKANSAS

APPELLEE

Opinion Delivered JUNE 1, 2011

APPEAL FROM THE FAULKNER
COUNTY CIRCUIT COURT
[NO. JV-2010-324]HONORABLE RHONDA K. WOOD,
JUDGE

AFFIRMED; MOTION GRANTED

RITA W. GRUBER, Judge

Appellant T.S. appeals from a probation order, based on a disorderly conduct charge, that placed her on probation and imposed a fine, costs, and conditions. The Circuit Court of Faulkner County, Juvenile Division, entered the order after conducting a hearing on a delinquency petition by the State. Counsel for T.S. has filed a motion to withdraw and a no-merit appeal pursuant to Arkansas Supreme Court Rule 4-3(k)(1) and *Anders v. California*, 386 U.S. 738 (1967). The motion is accompanied by a brief including both a discussion of matters in the record that might arguably support an appeal and a statement as to why counsel considers any ruling below that was adverse to T.S. to be incapable of supporting a meritorious appeal. The criminal justice coordinator of this court notified T.S. of her right to file pro se points on appeal. She has not availed herself of that opportunity.

The sufficiency of the evidence was the only ruling adverse to T.S. in the circuit court proceeding. Based on our review of the record and counsel's brief, we hold that counsel has complied with the requirements of Arkansas Supreme Court Rule 4-3(k)(1) and *Anders v. California*, 386 U.S. 738 (1967), and that the appeal has no merit. We therefore grant counsel's motion to withdraw, and we affirm the conviction.

Affirmed; motion granted.
