proceedings below, including all objections and motions decided adversely to appellant, and a brief in which counsel explains why there is nothing in the record to support an appeal.

The clerk of this court served appellant with a copy of his counsel's brief and notified him of his right to file a pro se statement of points for reversal within thirty days. Appellant has filed a statement of points consisting entirely of matters that are either sufficiently explained as nonmeritorious by counsel or not preserved for appellate review.

From our review of the record and the briefs presented to us, we find compliance with Rule 4-3(k) and that the appeal is without merit. Accordingly, counsel's motion to withdraw is granted, and the revocation is affirmed.

Affirmed; motion to withdraw granted.
