

SUPREME COURT OF ARKANSASIN RE THE PROFESSIONAL
PRACTICUM COMMITTEE

Opinion Delivered June 14, 2012

PER CURIAM

On July 1, 2004, Murray Claycomb was an original appointee to the Professional Practicum Committee (Committee). Thereafter, Mr. Claycomb was ready and able to continue his service on the Committee and was reappointed to a full six-year term in 2006. That term is to conclude on July 1, 2012.

Mr. Claycomb has expressed an interest in continuing his service on the Committee, and we can think of no better person to continue service on this Committee. His long tenure as a Committee member will provide a highly desirable measure of experience and continuity to the Committee.

Therefore, we appoint Murray Claycomb of Warren to another six-year term as a representative of the Fourth Congressional District, with his term of service to conclude on July 1, 2018. We thank Mr. Claycomb for his continued willingness to serve his profession.
