

SUPREME COURT OF ARKANSASIN RE RULES OF CIVIL PROCEDURE
3 AND 72

Opinion Delivered February 23, 2012

PER CURIAM

We are amending two rules of civil procedure based on the recommendation of the task force that the court established to study the significant shortfall in revenue experienced by the State Administration of Justice Fund. *See* Ark. Code Ann. § 19-5-993. The most severe consequence of this shortfall has been the lack of funds to pay the salaries of trial court assistants. Work is underway on many fronts seeking both short- and long-term solutions to the problems with the fund.

The task force has recommended two changes to the rules of civil procedure that impact filing fees, which is one of the sources of revenue for the fund.

1. Amend Rule 3 by adding new subsection (d) to address the situation where divorce actions are piggybacked onto domestic-violence cases. By statute, there is no filing fee when a domestic-violence case is filed. The task force found evidence that this statute is being subverted, and divorce actions are brought without the assessment of a filing fee and without regard to the financial condition of the party. A similar piggybacking of separate causes of action was identified with adoptions and guardianships (new subsection (e)).

2. Amend Rule 72 to give the circuit judges guidance in ruling on *in forma pauperis* petitions and prescribing the affidavit to be used.

The court asked the Committee on Civil Practice to review these recommendations.

The committee studied the recommendations and, with a few minor revisions, voted to endorse them.

We thank both the task force and the Civil Practice Committee for their work. We adopt, effective immediately, the amendments to Rules 3 and 72, as set out below and republish the rules. The changes made to the rules are illustrated in the End Note.

Arkansas Rules of Civil Procedure

Rule 3. Commencement of action — “Clerk” defined.

(a) A civil action is commenced by filing a complaint with the clerk of the court who shall note thereon the date and precise time of filing.

(b) The term “clerk of the court” as used in these Rules means the circuit clerk and, with respect to probate matters, any county clerk who serves as ex officio clerk of the probate division of the circuit court pursuant to Ark. Code Ann. § 14-14-502(b)(2)(B). In counties where the county clerk serves as the ex officio clerk of any division of the circuit court, the filing requirement shall be satisfied when the complaint is filed with either the circuit clerk or the county clerk.

(c) The clerk shall assign a new case number and charge a new filing fee for the filing of any case that is refiled after having been dismissed.

(d) No other claim or counterclaim for relief, including without limitation, divorce, annulment, separate maintenance, or paternity, shall be asserted in an action filed under the Domestic Abuse Act, Ark. Code Ann. § 9-15-101 *et seq.*, but a separate action seeking other relief shall be filed, and the clerk shall assign a new case number and charge a filing fee unless the filing fee is waived pursuant to Rule 72 of these rules.

(e) A petition for adoption cannot be asserted in a guardianship proceeding, but a separate action shall be filed, and the clerk shall assign a new case number and charge a filing fee unless the filing fee is waived pursuant to Rule 72 of these rules.

Rule 72. Suits in forma pauperis.

(a) Every indigent person who shall have a cause of action against another may petition the court in which the action is pending, or in which it is intended to be brought, for leave to prosecute the suit *in forma pauperis*.

(b) All such petitions shall be accompanied by an assertion of indigency, verified by a supporting affidavit. The affidavit form is set out below. Any petition not in compliance with this provision will be returned to the petitioner. There shall be attached to the petition a copy of the complaint or proposed complaint.

(c) The court shall make a finding regarding indigency based on the affidavit. In making its determination, the court may consider the current federal poverty guidelines which may be obtained from the Administrative Office of the Courts. If satisfied from the facts alleged that the petitioner has a colorable cause of action, the court may by order allow the petitioner to prosecute the suit *in forma pauperis*. Every person permitted to proceed *in forma pauperis* may prosecute the suit without paying filing fees and other fees charged by the clerk and shall not be prevented from prosecuting the suit by reason of being liable for the costs of a former suit brought against the same defendant.

(d) No person shall be permitted to prosecute any action of slander, libel or malicious prosecution *in forma pauperis*.

(e) The form of the affidavit shall be as follows:
