

ARKANSAS SUPREME COURT

No. CR 08-06

Opinion Delivered February 7, 2008

SHAUNTE SMITH
Petitioner

PRO SE PETITION FOR WRIT OF
MANDAMUS [CIRCUIT COURT OF
COLUMBIA COUNTY, CR 2006-115]

v.

PETITION MOOT.

HON. LARRY CHANDLER, CIRCUIT
JUDGE
Respondent

PER CURIAM

On January 3, 2008, petitioner Shaunte Smith filed in this court a pro se petition for writ of mandamus contending that the Honorable Larry Chandler, Circuit Judge, had failed to act in a timely manner on a petition for postconviction relief pursuant to Criminal Procedure Rule 37.1 filed by him in August 2007. Judge Chandler subsequently provided this court with a copy of an order that had been entered October 25, 2007, that disposed of the Rule 37.1 petition. As the court has acted in the matter, the petition for writ of mandamus is moot.

Petition moot.
