

SUPREME COURT OF ARKANSAS

No. CR 11-884

WALTER LEE WALTON

APPELLANT

V.

STATE OF ARKANSAS

APPELLEE

Opinion Delivered August 30, 2012APPEAL FROM THE SEBASTIAN
COUNTY CIRCUIT COURT,
NO. CR-10-951,
HON. JAMES O. COX, JUDGESUPPLEMENTAL ADDENDUM
ORDERED.**PER CURIAM**

A jury in Sebastian County found appellant Walter Lee Walton guilty of first-degree murder for which he received a term of life imprisonment without the possibility of parole. On appeal, appellant contends that he did not knowingly and intelligently waive his right to counsel. We order appellant to file a supplemental addendum within seven calendar days to cure deficiencies in his addendum.

Arkansas Supreme Court Rule 4-2(a)(8) requires an appellant's brief to include an addendum consisting of all documents essential to the appellate court's resolution of the issues on appeal. In addition, pursuant to Rule 4-2(a)(8)(A)(i), in a case where there was a jury trial, the jury verdict forms must be included in the addendum. Appellant's addendum does not contain the jury verdict form. In addition, the addendum does not include a motion for a continuance and a motion styled "Pro Se Objections to State's Supplemental Discover Response." Neither does the addendum contain the orders entered by the circuit court disposing of these motions. Arkansas Supreme Court Rule 4-3(i) requires an appellant in life-

imprisonment cases to include in the addendum all adverse rulings, together with such parts of the record as are needed for an understanding of each adverse ruling.

Because appellant has not included the jury verdict form and the referenced motions and orders in his addendum, we order him to correct these deficiencies by filing a supplemental addendum within seven calendar days from the date of this opinion. Ark. Sup. Ct. R. 4-2(b)(4); *see also In re 4-2(b) of the Rules of the Supreme Court*, 2011 Ark. 141. We encourage appellate counsel, prior to filing the supplemental addendum, to review our rules as well as the addendum to ensure that no additional deficiencies are present.

It is so ordered.
