TIMOTHY LOCKHART, JR.,

Super. Ct. No. BC310258)

ORDER MODIFYING OPINION

[NO CHANGE IN JUDGMENT]

THE COURT:

It is ordered that the opinion filed herein on August 27, 2007, and certified for publication on September 19, 2007, is modified as follows:

On page 1, in the second sentence, a bracketed footnote reference is to be added after the words "State Department of Health Services." The text of the footnote is to read as follows:

Subsequent to the events in this case, the State Department of Health Services was reorganized into the Department of Health Care Services and the Department of Public Health. As corresponding amendments have not yet been

made to Government Code section 855, and no regulations of the newly reorganized departments are at issue in this case, we use the pre-reorganization terminology in our discussion.

The remaining footnotes are to be renumbered accordingly.

There is no change in the judgment.
