Decided: April 17, 2003

Before **VEASEY**, Chief Justice, **HOLLAND** and **BERGER**, Justices.

ORDER

This 17th day of April 2003, the Court, having carefully considered the decision and judgment of the Superior Court dated September 23, 2002, together with the briefs of the parties and their contentions in oral argument, has determined as follows:

To the extent that (a) the errors alleged on appeal are attributed to an abuse of discretion, the record does not support those assertions; and (b) the issues raised on appeal are legal, they are controlled by settled Delaware law, which was properly applied. Alternatively, to the extent that there is, arguendo, any error in this record, it is harmless.

NOW, THEREFORE, IT IS ORDERED that the judgment of the Superior Court is **AFFIRMED**.

BY THE COURT:

/s/ E. Norman Veasey
Chief Justice
