ORDER

This 26th day of June 2003, the Court, having carefully considered the decision and judgment of the Superior Court dated February 14, 2003, together with the briefs of the parties and their contentions in oral argument, and Appellees' motion to expand the record together with Appellant's response, has determined as follows:

- (1) Appellees' motion to expand the record is denied.
- (2) To the extent that (a) the issues raised on appeal are factual, the record evidence supports the factual findings; (b) the errors alleged on appeal are asserted to

be an abuse of discretion, the record does not support those assertions; and (c) the issues raised on appeal are legal, they are controlled by settled Delaware law, which was properly applied.

NOW, THEREFORE, IT IS ORDERED that:

(A) Appellees' motion to expand the record is **DENIED**.

(B) The judgment of the Superior Court is **AFFIRMED**.

BY THE COURT:

/s/ E. Norman Veasey
Chief Justice
