ORDER

This 28th day of March 2003, having carefully considered the opening brief and the record below, we find it manifest that the judgment of the Superior Court should be affirmed on the basis of the Superior Court's well-reasoned decision dated October 30, 2002. The Superior Court did not err in holding that appellant's untimely motion for reargument was both procedurally barred and substantively without merit.

NOW, THEREFORE, IT IS ORDERED that the judgment of the Superior Court is AFFIRMED.

BY THE COURT:

Justice
