ORDER

This third day of April 2007, upon consideration of the parties' briefs and the record on appeal, it appears to the Court that appellant, Chris Tyndall, filed this appeal from the Superior Court's denial of his motion for correction of a sentence for violating probation. After filing his appeal, the Superior Court terminated Tyndall's probation and discharged him from his sentence. Having been discharged from serving the sentence, it is clear that Tyndall's appeal is moot.¹

NOW, THEREFORE, IT IS ORDERED that the appeal is DISMISSED as moot.
