**United States Court of Appeals
For the First Circuit**

No. 05-2420

DAVID WRIGHT,
Plaintiff, Appellant,

v.

JO ANNE B. BARNHART,
COMMISSIONER OF SOCIAL SECURITY ADMINISTRATION,
Defendant, Appellee.

APPEAL FROM THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MASSACHUSETTS
[Hon. Marianne B. Bowler, U.S. Magistrate Judge]

Before

Torruella, Selya and Lipez,
Circuit Judges.

David F. Bander on brief for appellant.
Christopher Alberto, Assistant U.S. Attorney, and Michael J. Sullivan, United States Attorney, on brief for appellee.

April 11, 2006

Per Curiam. The notice of appeal in this case appears to have been filed one day late. The appeal is therefore untimely.

Even if the appeal were properly before us, it would fail for substantially the reasons stated by the district court. Among other problems, the administrative law judge (ALJ) reasonably could have discounted the extreme limitations mentioned in Dr. Hacker's residual functional capacity report and the appellant's testimony. They were not corroborated by the record or by the reports of other treating physicians. See 20 C.F.R. § 404.1527(d). Since the appellant failed to establish that his limitations precluded his past work, substantial evidence supported the ALJ's determination that he was not disabled. Rodriquiz Pagan v. Sec'y of Health & Human Serv., 819 F.2d 1 (1st Cir. 1987).

Dismissed. 1st Cir. R. 27(c).
