Versus

Defendants-Appellees

To the Honorable Margaret Carter, Clerk,  
Of the United States Court of Appeals

2011 MAR -2 P 2: 25  
FILED IN CLERKS OFFICE  
US COURT OF APPEALS  
FOR THE FIRST CIRCUIT

In the matter of Case Number 10 – 1389, the Plaintiff-Appellant James N. Thivierge, Acting Pro-Se in Forma Pauperis files a motion to request an extension of time under Rule 26.1 Extending Time, due to the fact that I lost three “Flash Drives” totaling 10 megabytes of information, virtually almost everything I’ve done on my case to date, not all of which is resident on my computer, due to the size of the downloaded files and the relatively “pauwny amount” of resident storage some of which is relevant to any generation of a response, not backed up, the event when noticed, which has been reported to the Amesbury police at 7:05 PM February 28, 2011, the date of the end of the month check, and when I do groceries and pay bills, plus a very inclement day, I respectfully request additional time.

This Plaintiff-Appellant needs to purchase a new mobile storage device to replicate downloaded files in order to complete my preparation to generate any response to the court.

Respectfully,

James N. Thivierge,  
Plaintiff-appellant, Case Number 10-1389
