James N. Thivierge,

Plaintiff-Appellant

V.

Town of Amesbury et al

Defendant-Appellees

To the Honorable Margaret Carter, Clerk

In the matter of Thivierge versus the Town of Amesbury et al, case no. 10-1389, the Plaintiff-Appellant James N. Thivierge Pro se ad Pauperis, request an extension of time from the June 22, 2011 filing deadline to file a brief for a panel re-hearing. The logistics travelling to and from a law library plus the need to ply my own trade in order to substst has prolonged my submission. On February 28, 2011, I lost ten megabytes of data and it is difficult and time consuming to reconstruct so much research for this case.

I respectfully request additional time, an enlargement to file a brief for a panel rehearing.

James N. Thivierge,
