ORDER OF COURT

Entered: March 21, 2011

In these consolidated appeals, the intervenor United States has moved for fifteen minutes of independent oral argument. Amicus Electronic Frontier Foundation ("EFF") has filed a similar motion on its own behalf. After review, both motions are denied. Argument in these appeals is set as follows: The intervenor United States is allotted ten minutes of oral argument time and the other plaintiffs-appellants/cross-appellees will have ten minutes of oral argument time. Defendant-appellee/cross-appellant Tenenbaum is assigned twenty minutes of oral argument time. He and EFF may confer and report back to this court on or before March 25 whether they will agree to divide that time and, if so, what division of time they propose.

So ordered.
