Appeal from the United States District Court
for the Northern District of Alabama

(November 17, 2016)

Before TJOFLAT and HULL, Circuit Judges, and BYRON,* District Judge.

PER CURIAM:

After oral argument and consideration of the parties' briefs, we find no merit in the argument that the district court erred in granting the appellees qualified immunity in this case.

AFFIRMED.

*Honorable Paul G. Byron, United States District Judge, Middle District of Florida, sitting by designation.
