Subject: RE: Notice of Copyrighted Material Posted on Shockwave.com/Daily
Jigsaws
From: Victoria Libin <EX:/O=ATOMSHOCKWAVE/OU=SAN FRANCISCO/CN=RECIPIENTS/CN=VLIBIN>
To: Adam Kessel
Cc: Date: Tue, 22 Feb 2005 19:14:43 +0000

Dear Mr. Kessel,

We are in receipt of your notice and are in the process of removing the photograph from our daily jigsaw feature. The photograph should be completely removed by the end of business today if not sooner. Photographs for the daily jigsaw puzzle are user submitted and in their submission process they warrant that they have all necessary rights to the image. In the event that a user's warranties are false, and we receive an infringement notice, our policy is to remove the image within the next business day from the receipt of notice.

I would greatly appreciate it if you could tell us how you found out our web site producer's private email (Ms. Galbraith) and how you found out the name and email of the user that submitted the photo as none of that information can be located on our web site and it makes it appear as if you had prior knowledge of the fact that the user was submitting the photo in question.

Please let me know if I can be of further assistance.

Sincerely,

Victoria Libin
Director of Legal Affairs
AtomShockwave Corp.

Subject: Notice of Copyrighted Material Posted on Shockwave.com/Daily Jigsaws

(resending the following note--apparently my cryptographic signature did not appear in the first transmission)

To Ms. Galbraith and the Designed DMCA Agent of AtomShockwave Corp.:

I am an attorney representing Jonah Kessel, a photographer whose work currently appears on the Daily Jigsaw page at gameblast.shockwave.com. Apparently, without my client's permission or knowledge, his photograph

"Auckland by Night" was submitted and selected as the Daily Jigsaw feature for February 18, 2005. The photograph was submitted by 'Rhannon Hinck' <grendel96@hotmail.com>, who does not have any rights in the photograph in question and thus had no power to convey such rights or a license to AtomShockwave Corp. for use of the photograph as per your terms and conditions. In fact, if you examine the email message enclosing the copyrighted image, you will notice that my client is named as the creator of the work, and furthermore that there is no representation that the sender of the email was authorized to submit the image.

My client is concerned about his copyrighted work being used for financial gain by AtomShockwave Corp. without his permission, and apparently with no attribution whatsoever. Accordingly, he requests that the image be removed presently. We hope this matter can be resolved without further complications.

Please consider this a notice of copyright infringement under the Digital Millenium Copyright Act, Title 17 of the United States Code, Section 512(c)(2). My client is currently travelling in Australia and thus has no permanent address, however, I am authorized to act on his behalf, and I can be contacted at this email address or at the following physical address and phone number:

Adam Kessel
36 Taft Hill Park
Boston, MA 02131
(617) 230-9260

Moreover, I note that AtomShockwave Corp. may not satisfy the safe harbor conditions of 17 USC 512(c)(1) in that, contrary to the requirement of 512(c)(1)(B), AtomShockwave Corp. does in fact receive a financial benefit directly attributable to the infringing activity.

I hereby certify that this notification is accurate under penalty of perjury. I am signing this message with my PGP personal key, which I believe should satisfy the electronic signature requirement for this notice.

Thank you for your prompt response to this matter.

Adam Kessel, Esq.

VICTORIA LIBIN - HIGHLY CONFIDENTIAL

56

1 LIBIN, VICTORIA

2 12:06:36 A I did.

3 12:06:36 Q And what was the "Daily Jigsaw" that's being

4 12:06:39 referenced there?

5 12:06:40 A It -- it is a game and we allow users to

6 12:06:46 e-mail or otherwise submit photographs that get

7 12:06:50 converted into a jigsaw puzzle for people to play

8 12:06:53 with.

9 12:06:53 Q And when users submitted photographs to the

10 12:06:57 Daily Jigsaw, Atom thought it was reasonable to rely

11 12:07:04 on their warranties that they had rights to the

12 12:07:06 submitted photographs; is that right?

13 12:07:07 MR. WILKENS: Objection to the form of the

14 12:07:10 question.

15 12:07:11 THE WITNESS: I'm not sure how I can answer

16 12:07:21 whether it was reasonable or not reasonable without

17 12:07:25 potentially getting into attorney-client privileged

18 12:07:28 communications.

19 12:07:29 MR. VOLKMER: Q. Isn't that what you're

20 12:07:31 suggesting to Mr. Kessell, though, that the policy of

21 12:07:36 relying on representations and warranties from users

22 12:07:38 was reasonable?

23 12:07:45 A From this e-mail, it appears to be a legal

24 12:07:47 position that -- that we took at the time, but whether

25 12:07:51 it's reasonable or not, I can't answer without getting

1 LIBIN, VICTORIA

2 12:07:54 into potential attorney-client communications.

3 12:07:57 Q So the legal position of Atom Entertainment,

4 12:08:02 at the time, was to rely on the representations and

5 12:08:04 warranties from users that they had the rights to

6 12:08:06 photographs that they uploaded in connection with the

7 12:08:09 Daily Jigsaw?

8 12:08:12 MR. WILKENS: Objection to the form.

9 12:08:18 You can answer.

10 12:08:19 THE WITNESS: I -- I believe it was.

11 12:08:29 MR. VOLKMER: Q. And -- and you -- and the

12 12:08:31 legal position of Atom Entertainment, at the time, was

13 12:08:35 that if those warranties were false, that content

14 12:08:39 owners should rely on the notice and takedown

15 12:08:41 provisions of the DMCA to have that content removed;

16 12:08:44 correct?

17 12:08:44 MR. WILKENS: Objection to the form.

18 12:08:48 THE WITNESS: Not entirely.

19 12:08:50 MR. VOLKMER: Q. Why is that not entirely

20 12:08:53 correct?

21 12:08:53 A Because we would often remove content that we

22 12:08:56 would encounter prior to receiving any notices.

23 12:08:59 Q I'm not sure I understand what you mean by

24 12:09:12 "we would encounter."

25 12:09:13 Can you explain that to me?

1 LIBIN, VICTORIA

2 12:09:14 A We -- often employees would encounter

3 12:09:18 content, such as, for example, photographs submitted

4 12:09:21 for the daily jigsaws, that look like they weren't

5 12:09:26 submitted by an amateur photographer, and the content

6 12:09:30 would either not be posted in the first place or would

7 12:09:32 be removed prior to receiving any actual notice.

8 12:09:38 Q And setting aside those circumstances, Atom

9 12:09:42 would rely on the notice and takedown provisions of

10 12:09:44 the -- of the DMCA if the users warranties about their

11 12:09:48 rights and the content turned out to be false; is that

12 12:09:53 right?

13 12:09:53 A I believe that calls for me to give a legal

14 12:09:55 conclusion as to whether or not the DMCA, you know,

15 12:10:02 allows companies to rely on the representations and

16 12:10:05 warranties of users, and I can't really speak to -- to

17 12:10:08 a legal conclusion on that matter.

18 12:10:10 Q I'm not asking for a legal conclusion. There

19 12:10:12 is a circumstance that you -- start that over.

20 12:10:30 I'm not asking for a legal conclusion. There

21 12:10:31 was a circumstance that you referenced earlier that

22 12:10:34 Atom employees might remove content submitted to the

23 12:10:38 Daily Jigsaw without receiving a DMCA notice; is that

24 12:10:44 correct?

25 12:10:46 A That's correct.

MARK ISHIKAWA - HIGHLY CONFIDENTIAL

146

1 MARK ISHIKAWA PALO ALTO, CA JANUARY 14, 2010
2 13:55:46 on YouTube during this time?
3 13:55:48 A. Human verification of videos.
4 13:55:50 Q. Since inception of the project?
5 13:55:52 A. Yes.
6 13:55:52 Q. Did that ever -- did that aspect -- or did
7 13:55:55 that rule ever change?
8 13:55:56 A. No.
9 13:55:57 Q. So it's always been a combination of
10 13:55:59 keywords and human review?
11 13:56:02 A. It's been a combination of metadata,
12 13:56:05 keywords, and human review. The human review
13 13:56:08 process has always been in place.
14 13:56:10 MR. MANCINI: Okay. Let me next show you
15 13:56:19 a -- and mark for the witness's identification as
16 13:56:26 BayTSP Exhibit Number 10, a two-page document
17 13:56:30 bearing the Bates stamp label BayTSP 003723655
18 13:56:36 through -56, and ask the witness to briefly review
19 13:56:38 it.
20 13:56:39 (BayTSP Deposition Exhibit Number 10 was
21 13:56:39 marked for identification.)
22 13:56:46 THE REPORTER: Number 10.
23 13:56:47 MR. MANCINI: Yes.
24 13:57:51 THE WITNESS: Okay.
25 13:57:51 //

MARK ISHIKAWA - HIGHLY CONFIDENTIAL

147

1 MARK ISHIKAWA PALO ALTO, CA JANUARY 14, 2010

2 13:57:51 BY MR. MANCINI:

3 13:57:52 Q. Turning your attention -- sorry. Are you

4 13:57:54 familiar with the e-mail communication that is

5 13:57:57 between yourself and Michelena Hallie on

6 13:58:00 November 17th, 2006, and is expressed herein -- is

7 13:58:06 contained herein on BayTSP Exhibit Number 10?

8 13:58:14 A. Yeah, I don't recall every e-mail ever

9 13:58:16 sent, but I do recall this conversation.

10 13:58:19 Q. What was the substance of this

11 13:58:20 conversation?

12 13:58:21 A. The substance of the conversation was to

13 13:58:23 clear the customer's perception of what keyword

14 13:58:27 searching meant in the yield based on keyword. So

15 13:58:31 in the event that we would put in a keyword such as

16 13:58:34 "Jack Ass," you would get a lot of videos and a lot

17 13:58:38 of items that may or may not have been the

18 13:58:40 copyrighted material, and we had to explain to them

19 13:58:44 what that -- what that really meant.

20 13:58:45 Q. And per this document, you state to

21 13:58:48 Miss Hallie that something like 80 percent plus are

22 13:58:51 not the content or do not meet the selection

23 13:58:54 filtering criteria as a result of these keyword

24 13:58:58 searches; is that correct?

25 13:59:00 MR. COX: Objection. Mischaracterizes the

1 MARK ISHIKAWA PALO ALTO, CA JANUARY 14, 2010

2 13:59:05 document.

3 13:59:06 THE WITNESS: I'm sorry, I didn't --

4 13:59:08 MR. COX: I said, "Objection.

5 13:59:08 Mischaracterizes the document." Sorry.

6 13:59:12 THE WITNESS: I'm giving Miss Hallie what

7 13:59:15 we believe is the yield of videos that match

8 13:59:19 copyrighted content based on -- on title or

9 13:59:22 keywords.

10 13:59:24 BY MR. MANCINI:

11 13:59:24 Q. And are you telling her that 80 percent

12 13:59:26 are false positives -- 80 percent plus are false

13 13:59:29 positives?

14 13:59:30 A. 80 percent come back as not the infringing

15 13:59:34 material.

16 13:59:35 Q. And the document refers, you'll see on

17 13:59:39 -3656 that you prepared a spreadsheet that you sent

18 13:59:43 to her at 6:00 p.m. the day before?

19 13:59:47 A. Yes.

20 13:59:47 Q. Did that spreadsheet contain the

21 13:59:49 information you just testified to?

22 13:59:51 A. I would have to see the spreadsheet.

23 13:59:53 Q. Okay. I'll rephrase.

24 13:59:56 At some -- on or about November 17th,

25 13:59:59 2006, or the date prior, you prepared a spreadsheet

MARK ISHIKAWA - HIGHLY CONFIDENTIAL

149

1 MARK ISHIKAWA PALO ALTO, CA JANUARY 14, 2010

2 14:00:05 that showed that 80 percent plus of the results were

3 14:00:09 either not the content, or did not meet the

4 14:00:12 selection filtering criteria for the content;

5 14:00:15 correct?

6 14:00:16 A. I would have to see the spreadsheet. To

7 14:00:21 know what's -- is -- what's stated in the e-mail

8 14:00:23 versus what was actually sent, I would have to see

9 14:00:26 the document.

10 14:00:27 Q. Leaving aside the spreadsheet or the

11 14:00:29 e-mail, I believe you testified before that this

12 14:00:31 document refreshed your recollection as to these

13 14:00:33 events; correct?

14 14:00:34 A. Yes.

15 14:00:34 Q. Were you doing this analysis because, on

16 14:00:36 or about November 2006, MTVN was still considering

17 14:00:41 to use only keywords to search into?

18 14:00:47 A. Keyword searching has always been a method

19 14:00:51 that we've used. And keyword enforcement is

20 14:00:54 something that we as a company would never employ,

21 14:00:56 because it would create a series of false positives.

22 14:01:02 Q. And so my question, sir, is -- is -- was

23 14:01:04 this exchange, and whatever spreadsheets or data

24 14:01:08 were prepared as a result of this exchange -- was

25 14:01:12 this communication and exchange done in order to

MARK ISHIKAWA - HIGHLY CONFIDENTIAL

150

1 MARK ISHIKAWA PALO ALTO, CA JANUARY 14, 2010

2 14:01:18 explain to MTVN just that point, that keyword

3 14:01:24 searches alone are not a verifiable way to take down

4 14:01:29 content off of YouTube?

5 14:01:31 A. This conversation, to the best of my

6 14:01:32 knowledge, or best of my recollection, was based on

7 14:01:35 the fact that you could put in a search term, and

8 14:01:38 you would see a large number of results. And I

9 14:01:40 thought that those -- that -- you know, files that

10 14:01:43 came back on the search term or the number of

11 14:01:46 searches -- the results that came back would -- you

12 14:01:50 know, were infringing. So, we had to explain why

13 14:01:54 you would get 500 -- 500 counts for "South Park,"

14 14:01:56 and the yield would only be, you know, X.

15 14:02:04 Q. And were they satisfied after you gave

16 14:02:07 this explanation?

17 14:02:07 A. The --

18 14:02:08 MR. KENDALL: Calls for speculation.

19 14:02:10 THE WITNESS: Yeah, I can't tell you

20 14:02:11 whether they were satisfied.

21 14:02:12 BY MR. MANCINI:

22 14:02:13 Q. Did they express their -- did they express

23 14:02:15 satisfaction after you gave this explanation?

24 14:02:18 A. At this point in the project they had

25 14:02:20 accepted that as a -- as a viable answer.

Schapiro Exhibit 127

From: Leland Woo
Sent: Friday, November 17, 2006 4:32 PM
To: Mark M. Ishikawa
Cc: Evelyn Espinosa; Courtney Nieman; Travis Hill; Deana Arizala
Subject: RE: Infringements pending by Protocol & Time

I think our terminology is confusing her. We should just illustrate something like "When we use the keyword <INSERT HERE>, we get <INSERT HERE> postings to review. After we reviewed all the postings, we find that 80%+ is not the content or does not meet our selection/filtering criteria"

The last sentence should eliminate most questions.

LW

Cc: Evelyn Espinosa; Courtney Nieman; Leland Woo; Travis Hill; Deana Arizala
Subject: RE: Infringements pending by Protocol & Time

I got your voicemail. This is helpful though I still have a couple of questions:

What do you mean that many of the results do not contain the actual asset 80%+? How many of these are we leaving on the table? We have to figure out if we want to tweak that.

Have the number of takedowns gone up since yesterday? E.g. is the episode my son found down now? And did you figure out why that, and I assume others, was missed in earlier rounds?

We may be coming back to you with new titles to add and others to delete. At that point I'll need to know how quickly we can start takedowns on the new ones.

Thanks.

From: Mark M. Ishikawa [mailto:marki@baytsp.com]

To: Hallie, Michelena
Cc: Evelyn Espinosa; Courtney Nieman; Leland Woo; Travis Hill; Deana Arizala
Subject: Infringements pending by Protocol & Time
Importance: High

Michelena,

The Paramount_cc distribution list is an internal e-mail distribution group. We have the same Customer Support Staff on both accounts, and it was just laziness that I was using the Paramount_cc group. The distribution group was : Arielle Kim; Courtney Nieman; Deana Arizala; Evelyn Espinosa; Mark M. Ishikawa; Richard Kawasaki; Warren Kim

I think this is what you're looking for. These are the fully reviewed infringements (someone has verified that these do meet the criteria for infringing material) and have not been sent because the length of the posting was too short, or did not meet the takedown rules. The previous spreadsheet I sent at around 6pm your time was a spreadsheet showing the total number of postings on YouTube that were either Approved (contained appropriate content), or Declined (did not contain infringing content, or was less than 20 seconds on length). You will see that a large percentage of what is returned as results for the asset keywords does not contain the actual asset 80%+.

The spreadsheet attached in this e-mail will help you determine the number of clips posted by time segment. We will work on being able to show you number of new postings by week. Our engineering team will give me an estimate on when we can expect this feature to be added early next week.

I hope this is what you're looking for.

Mark
