Clerk, U.S. Court of Appeals for the Second Circuit  
Thurgood Marshall U.S. Courthouse  
40 Foley Square

Re: *The Football Ass'n Premier League, et al. v. YouTube, Inc., et al.* No. 10-3342 cv

Dear Ms. Wolfe:

Pursuant to the telephonic discussion with the clerk's office today, YouTube, Inc., YouTube LLC, and Google Inc. ("Appellees") are informed that the Non-Dispositive Stipulation filed on April 18, 2012, Docket Item 470, is not necessary due to the April 5, 2012 Order providing for remand to the District Court, and that a stipulation of dismissal should instead be filed in District Court. The Appellees, Cherry Lane Music Publishing Company, Inc. and Stage Three Music (US), Inc. will therefore withdraw Docket Item 470 and file the stipulated dismissal in the District Court following remand.

Respectfully submitted,

WILSON SONSINI GOODRICH & ROSATI  
Professional Corporation
