If you're willing until you can scrape together enough money and vacation days for much-needed R&R of a fancy spa, serious pampering potential is passing you by. Today, there are day spas all over the country that offer a variety of luxurious treatments, and the good news is, most of them (including everything on these pages) cost less than \$100. We went to the paradisaical Banyan Tree Spa in Phuket, Thailand, but chances are there's a liberal cabaret in close to home in your local mall.
