Using Street View

In certain locations, you can view and navigate within street-level imagery. Here's how:

- Blue outlines show roads where street view is available
- This icon shows where you are on the map. The green arrow points in the direction you're looking. You can drag the icon to navigate to a different location. You can also just click on a blue outlined road to go there
- Drag the street view to look around 360°. Use the arrow buttons to navigate down the street. You can also use the arrow keys on the keyboard
