**SHWARTZ, Circuit Judge:**

**ORDER AMENDING OPINION**

IT IS ORDERED, that the published Opinion in the above case, filed on July 28, 2020, be amended as follows:

On page 11, footnote 9:

Reckitt argues that the lawfulness of pricing conduct renders class certification improper. Regardless, in this case, the allegedly unlawful nonpricing conduct could be established via common evidence and thus satisfy the commonality requirement.

The amendment does not change the date of filing, July 28, 2020.

By the Court,

s/Patty Shwartz  
Circuit Judge
