Appeal from the United States District Court for the Eastern
District of Virginia, at Alexandria. T. S. Ellis III, District
Judge. (CA-05-1158-1-TSE)

Submitted: January 19, 2006

Decided: January 24, 2006

Before WILKINSON, TRAXLER, and SHEDD, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Lenir Richardson, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.
See Local Rule 36(c).

PER CURIAM:

Lenir Richardson appeals the district court order summarily dismissing her complaint as frivolous and for failing to state a claim under 28 U.S.C. § 1915(e)(2)(B) (2000). We have reviewed the district court order and the record and affirm for the reasons of the district court. See Richardson v. Foster, No. CA-05-1158-1-TSE (E.D. Va., filed Oct. 25, 2005; entered Oct. 26, 2005). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
