PER CURIAM:

Maria Fernandez appeals the district court's orders granting summary judgment to the defendants in her civil action in which she sought damages stemming from a car accident and denying her subsequent motion for reconsideration. We have reviewed the record and find no reversible error. Accordingly, we affirm both orders on the reasoning of the district court. See Fernandez v. Waterworks and Indus. Supply Co., No. CA-03-2423-3 (S.D.W. Va. Sept. 27, 2005 & Oct. 19, 2005). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
