PER CURIAM:

Andrea G. Briggs appeals from the district court's order denying relief in her civil action. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Briggs v. Elcon Enters., No. CA-05-1185-CCB (D. Md. Oct. 19, 2005). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
