

UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 05-7720

UNITED STATES OF AMERICA,

Plaintiff - Appellee,

versus

HARRY CARLOS OWEN,

Defendant - Appellant.

Appeal from the United States District Court for the Southern District of West Virginia, at Beckley. David A. Faber, Chief District Judge. (CR-00-185; CA-02-854-5)

Submitted: March 30, 2006

Decided: April 7, 2006

Before TRAXLER, GREGORY, and SHEDD, Circuit Judges.

Dismissed by unpublished per curiam opinion.

Harry Carlos Owen, Appellant Pro Se. Michael Lee Keller, OFFICE OF THE UNITED STATES ATTORNEY, Charleston, West Virginia, for Appellee.

Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Harry Carlos Owen seeks to appeal the district court's order adopting the findings and recommendation of the magistrate judge and denying relief on his motion filed under 28 U.S.C. § 2255 (2000). An appeal may not be taken from the final order in a habeas corpus proceeding unless a circuit justice or judge issues a certificate of appealability. 28 U.S.C. § 2253(c)(1) (2000). A certificate of appealability will not issue absent "a substantial showing of the denial of a constitutional right." 28 U.S.C. § 2253(c)(2) (2000). A prisoner satisfies this standard by demonstrating that reasonable jurists would find that the district court's assessment of his constitutional claims is debatable and that any dispositive procedural rulings by the district court are also debatable or wrong. See Miller-El v. Cockrell, 537 U.S. 322, 336 (2003); Slack v. McDaniel, 529 U.S. 473, 484 (2000); Rose v. Lee, 252 F.3d 676, 683 (4th Cir. 2001). We have independently reviewed the record and conclude that Owen has not made the requisite showing. Accordingly, we deny a certificate of appealability and dismiss the appeal. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.

DISMISSED
