Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Valedia E. Gross appeals the district court's order denying her Title VII employment discrimination action. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Gross v. University Physicians, Inc., No. 1:04-cv-01513-WDQ (D. Md. Dec. 6, 2005). We deny Gross' pending motion to amend. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
