PER CURIAM:

Henry Immanuel petitions for review of the United States Department of Labor Administrative Review Board's Final Decision and Order accepting the Administrative Law Judge's Recommended Decision and Order to dismiss his complaint for being untimely under the statutory deadline. We have reviewed the record and find no reversible error. Accordingly, we deny the petition for the reasons stated by the Administrative Review Board. Immanuel v. United States Dep't of Labor, No. 04-062-ARB (ARB Dec. 30, 2005). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
