PER CURIAM:

Kelvin Fleming appeals the district court's order denying his motion to correct his sentence. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Fleming, No. 1:96-cr-00031-JCC (E.D. Va. filed Feb. 24, 2006 & entered Feb. 27, 2006). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
