Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Jerome Walden appeals the district court's orders denying his motions seeking a certificate of appealability and to hold his claims in abeyance. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Walden, No. 3:95-cr-00063-JRS (E.D. Va. Feb. 28, 2006; Mar. 21, 2006). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
