PER CURIAM:

David Amberger appeals the district court's order denying relief on his 42 U.S.C. § 1983 (2000) complaint. We have reviewed the record and find no reversible error. Accordingly, we grant Amberger's motion to file supplemental pleadings and documents, deny Amberger's motion for the appointment of counsel, deny his motion for a temporary restraining order, and affirm for the reasons stated by the district court. Amberger v. Johnson, No. 7:06-cv-00162-jlk (W.D. Va. Apr. 3, 2006). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
