Unpublished opinions are not binding precedent in this circuit.  
See Local Rule 36(c).

PER CURIAM:

Christopher T. James appeals the district court's orders denying relief on both his 42 U.S.C. § 1983 (2000) complaint and subsequent Fed. R. Civ. P. 59(e) motion. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's orders. See James v. North Carolina, 3:06-cv-00220 (W.D.N.C. May 17, 2006 & June 19, 2006). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
