PER CURIAM:

Trumilla Foreman appeals the district court's order granting summary judgment to the Defendants in her civil action. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Foreman v. Weinstein, No. 8:05-cv-03342-PJM (D. Md. filed March 27, 2007; entered March 28, 2007). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
