PER CURIAM:

Gladys Marie Smith appeals the district court's order accepting the recommendation of the magistrate judge and dismissing her civil action alleging employment discrimination. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Smith v. Wyman-Gordon APCC Co., No. 4:06-cv-00267-FL (E.D.N.C. Apr. 23, 2007). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
